UTTC EVENTS WEEK

This week is a fantastic cultural celebration that we look forward to annually for Native Americans and Non-Natives to network and come together on business and learning opportunities, and competitive sports activities. All events draw in an estimated 10,000 people and generate a \$4.2 million dollar economic impact to the local Bismarck-Mandan community

Profit generated from Events Week goes directly to UTTC Student Scholarships. On average, UTTC is able to provide \$50,000 per year in scholarships to our students from the profits. These scholarships allow us to build and develop future leaders by assisting them in completing their education.

The Official Logo for the United Tribes Technical College International Powwow created by Rusty Gillette commemorates the Annual Powwow and the community with the State Capitol and the Missouri River in the logo.
